## **WHY US?**

We believe that **OUR PEOPLE ARE OUR MOST IMPORTANT ASSETS**, so we approach all compensation and benefits to you based on this truth:

- **WE BUILD UP YOUR CAREER PATH** by creating a place where work is challenging, where innovation and initiatives are rewarded and where employees are encouraged to leverage their strengths. Here your performance is not measured by age, years of staying and your degrees. Only true talents are recognized and well rewarded. Organizing various company technical events, such as: Developer Day, Scrum Breakfast, Career Day,... is also the way we do to speed up your career path.
- **WE CARE ABOUT YOUR LIFE** by offering to you really competitive & attractive salary based on your capability. Hopefully, flexible working time help you manage your time and your life in comfortable way. We also make your leisure time more wonderful with dancing club, ladies club, company trips, Team building activities, etc. And company lunch is available for you on working days. We do believe that the more comfort and happiness you feel in your life, the more attention and contribution you make in your work.

- **WE CARE ABOUT YOUR HEALTH** by creating many sport clubs: badminton, swimming, football, ... for your enjoying after work. More than that, private healthcare insurance and accident insurance are also offered to you to protect your health in the best conditions.
- **WE CARE ABOUT YOUR FAMILY** by providing free Kindergarten for your kids. Family day event is also organized so that your family members understand about your job and be proud of you. Especially you will have full fun day with your family member and colleagues together.
- **WE DO WHAT WE SAY AND WE SAY WHAT WE DO** is our core value. Do you want to strengthen your own value with us?
